

West Virginia...

you are

on the tee!

The PGA TOUR's continuing commitment to charitable contribution has proven to be a great opportunity to raise funds for charities and non-profit organizations throughout the state of West Virginia. In 2009, the Nationwide Tour Players Cup is pleased to share 100% of all ticket sales with charitable organizations working to improve the community and/or those associated with youth programs. Together with your help, we are striving for new heights with respect to the tournament's impact on the community and quality of life for children in West Virginia.

100% of the proceeds from this ticket sale goes directly to your charity!

FACT:

Each organization selling tickets participates in the \$25,000 Bonus Pool provided by the Players Cup. The Bonus Pool is divided amongst the benefiting charities based on each organization's percentage of total ticket revenue from the TICKETS Fore CHARITY program. As you can imagine this is an incredible opportunity to support your favorite non-profit organization that positively impacts the quality of life for young people in West Virginia throughout the year.
