

Official Event

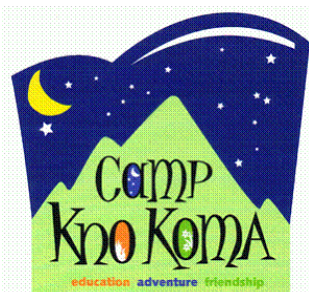

The Greenbrier Classic is the definitive golf experience, sure to make history as the PGA TOUR's first FedExCup event held in the Mountain State. To experience the excitement for yourself, Weekly Badges have been designed with a wide range of amenities, allowing exclusive access to The Greenbrier's exquisite food and beverage offerings at our on-course hospitality areas, or, pay tribute to your alma mater with an Alumni Badge, where you will experience the feel of a tailgate celebration. Whatever your personal style, we have an experience that's just right for you.

In addition to enjoying an unparalleled championship golf experience, your Weekly Badge also provides access to our world-class concert event.

For those who wish to remember their favorite charitable cause, (Camp KnoKoma) **The Diabetes Camp of WV** has partnered with The Greenbrier Classic to sell weekly badges through this program.
